

Washington and Baltimore to Enter Best Marathoners in Times-News Race

BEST TALENT TO ENTER MARATHON

Annual Long Distance Classic to Be Run From Laurel to Baltimore on May 11—Athletes Have Already Begun Training.

From present indications, and the announcement of the race, it is but a week old, the cream of the marathon runners of Washington and Baltimore will be entered to run in the Times-News Inter-city marathon race, which will be held on May 11. The classic is run this year from Laurel, and will finish at the Munsey building in Baltimore.

Already forty-eight athletes have begun training in preparation for the greatest of races in the South, and veterans tried and found competent at the hill and dale game will vie with each other in road work in the endeavor to get into the pink of condition. Washington is pinning its hopes on the Memorial Athletic Club, and the Washington Cross Country Club, the two largest organizations fostering cross-country running in the city. Many other members are expected to send in their entries in the next few days.

The Washington Cross Country Club has been a great rival of a like institution in Baltimore, which numbers among its stars that sterling performer, H. C. Elphinstone, last year's winner of the Times-News marathon, and

hero of many cross-country fights. Members of the Washington C. C. C. and of the Memorial A. C. are avowed that they will show Elphinstone the way to the Munsey building. John J. Campbell, who finished fourth in last year's race, says he will win this year, and is in hopes that Elphinstone will again complete.

Elphinstone, considered the peer of any of the distance men in this section of the country, led a large field in Baltimore on Friday night at a wood-a-half-mile race which was given by the Mondawmin A. C. in preparation for the coming marathon. Several distance races will be given by various clubs in the Monumental City which will gradually lead to the longer distances, and will no doubt be great preparation for the veterans and the less experienced runners.

With one or two exceptions the Washington men to enter are old hands at the game, and know the way to train for the long distance. What is needed most is plenty of sleep and the exercise of care that the distance to be taken will be a great deal to great. Many young athletes have started in like whirlwinds only to find that they have overdone it and have been forced to lay up for several days to recuperate.

C. U. PREPARED FOR TOMORROW'S GAME WITH HARVARD NINE

"Chief" Greene Is Moran's Choice to Occupy the Center Mound.

Catholic University is fit and ready for the game with Harvard University, to be played at Brookland tomorrow afternoon, and is looking forward to a victory over the Crimson team. Coach Moran has put his charges in the best of condition and with "Chief" Greene in the box is hoping for a win. Harvard has shown that it is in the best of form, although it has been on the diamond a shorter time than have the other colleges making an appearance here this spring.

Harvard will probably pitch Sam Felton, a first string man, and Coach Sexton expects his team to show its best form. The Crimson nine has played several good games to date and will meet Georgetown on Tuesday at Georgetown Field. A line may be gotten on both Catholic University and Georgetown after the games, and many followers of the local universities will no doubt see both contests.

Catholic University went out over the Maryland Agricultural College yesterday by a 9 to 3 score in a game which brought out the best of both teams. Coach Edmonston's team played good, baseball, but erred in fielding too frequently.

GALLAUDET WINS AFTER MANY SHIFTS IN ITS LINE-UP

William and Mary Nine Overcome by Score of 5 to 2.

Gallaudet, strengthened by many shifts on the team, won from William and Mary yesterday in a light-hitting game by 5 to 2, getting the advantage of Shier's wildness and a peg past first base in the fourth inning which tied the game. The game was marked by bases on balls and errors which contributed largely to the scoring.

Gallaudet got four hits and William and Mary three, Battiste, the Gallaudet pitcher, showing good form after the second inning. Ten William and Mary batters went down by the strike-out, and the Buff and Blue team showed that it had more steadiness at critical stages of the game.

That Gallaudet has possibilities for a good team is the opinion of those who saw yesterday's game. The team is expected to make a good showing from their injuries. Weakness in batting is attributed to Gallaudet's inability to roll up a larger score, and the week will probably be spent in remedying the defect. The score:

Gallaudet, 5; William and Mary, 2. W. and M., 0 1 0 0 1 0 0 0 2 3 3. Batteries—Battiste and Rendall; Salers and Peachy.

BOB THAYER'S SPORTING GOSSIP

"EVERY KNOCK IS A BOOST."

On to the Metropolitans.

Jake Stahl's team has reduced the Hillanders to a pulp, in winning three straight games. The Athletics have successfully taken the measure of the Nationals during the series and the desire to break into the winning column should force both teams to the limit tomorrow. Clark Griffith is more than anxious to come home with an even break.

Lowe Breaks record.

Our old friend Bill Burns won a victory over the Cleveland team yesterday, aided by Ty and Sam, who got into the hit column for the first time this year. The sleepy one wants to make good with Jennings, as it has been his ambition for years to become a Tiger, and now that he has started well should prove valuable to Detroit.

Tome wins meet.

There appears to be small chance of seeing Kid Elberfeld on the Nationals this year. Hugh Duffy, the Milwaukee manager, has asked Griffith for a price on the player, and Griff wired terms immediately. Manager Griffith does not expect Elberfeld to ever report to the Washington club.

Nautilus swimmers fourth.

The opening day was a complete triumph for Connie Mack in every sense of the word. While the Athletics were trimming Walter Johnson, Harry Davis' Naps won out over Detroit by 3 to 2 in eleven innings. The House of Mack further scored when Tony Hartel, graduate of the Mack school, won a victory over Milwaukee with his Toledo team by 5 to 1.

Bill Burns wins.

The Phillies are certainly running into hard luck in the matter of injuries to players. Yesterday Walsh suffered what is thought to be a broken ankle. Kilmer has an injured hand, Robert strained his back and is out of the game. Earlier Sherwood Macke broke his wrist and Pitcher Chalmers in visiting Bonaparte Reese discovered that he may never be able to pitch again.

Business again ahead.

Marshall Lowe, the Friends School athlete, who jumped six feet in the Southern interscholastic meet yesterday, will no doubt take the place of

former high jumpers developed in Washington. Royce Hough was the first; then came Charlie Curtis, who went to Princeton from Central High School, and later Charles Walcott, who did six feet competing for the Y. M. C. A. and at Yale.

C. U. vs. Harvard tomorrow.

A direct comparison of the graduate and the professional systems of coaching will no doubt be made after the Harvard team has played here. Washington followers of college baseball have seen Princeton's great team, with Hill Clarke coaching. Cornell has Danny Coogan. The Yale team has Graduate Coach Frank Quinby, and Harvard will present Graduate Coach Sexton tomorrow.

Gould is champion.

As was expected, Tome Institute walked off with the track title at Charlottesville yesterday and maintained its prestige for developing good track men. Tome is known for its fast youngsters. Ralph Gamble, a Washington boy, was on the first Tome track team with the late Fred Lowe. Gamble afterward became Princeton's track captain.

Hilanders are next.

The high schools are winning and losing, no team showing anything startling in the way of baseball. The championship series opens on Friday, with Eastern and Western playing at the Union League grounds. None of the teams, with the possible exception of Tech, looks to be particularly strong in any department.

Chey Chase journey announced.

Followers of lacrosse will have an opportunity of seeing a game tomorrow afternoon at College Park. The Harvard lacrosse team is scheduled to play the Maryland Agricultural College. Johns Hopkins defeated the Crimson lacrosse team in Baltimore yesterday.

CHICAGO, April 14.—John D. Rockefeller has contributed \$500 to the fund to defray the expenses of the American athletes to the Olympic games, according to an announcement made tonight by E. C. Brown, chairman of the Chicago finance committee of the Olympic games. The games are to be held in Stockholm in July.

"Murph" King Fails to Make Good at Shortstop
"Murph" King, Central's captain and all-around athlete, is of the opinion that he is not a shortstop today. He has tried his last try at the shortstop game, and will in future stick to catching or scoop them up on first base where he is a regular player.

Yesterday Central played the Manhattan team and found itself without its regular team. Captain King went in at shortstop and made five clever errors. Brown, in left field, aided his cap with three errors, and Manhattan had no difficulty in winning by 10 to 1. The score:
